Reflection & Discussion

1. Peter exhorts God’s people in verses 10 and 11 (quoting David in Psalm 34):
 - a. What does “Whoever desires to love life and see good days” mean biblically?
 - b. Consider/discuss each command (“keep his tongue from evil”, “his lips from speaking evil”, etc.)
 - c. Which of these is/are most difficult to keep? How do you live them out consistently?
