Reflection & Discussion

1. Complete the sentence: “To grow as a believer means to...”
2. Peter stresses that God has given us *sufficient knowledge* to grow in our faith:
 - a. What other Scriptures affirm this?
 - b. Have an open discussion regarding Paul’s words in 2nd Timothy 3:16-17 (what does he mean that God’s word is ‘profitable’? ...that we’re ‘complete’ and ‘equipped’?, etc.)
