## **Reflection & Discussion**

- Have an open discussion about vv. 22-24: being doers and not hearers only:
  - a. What does it mean to "hear" and "do"?
  - b. How is it possible that we deceive ourselves (v. 22)?
- 2. How is the Bible like a *mirror* to believers? How does a believer forget what he looks like (v. 24)?
- 3. God promises to bless us when we do:
  - a. What other Scriptures convey this promise?
  - b. How does God bless His people? (i.e. what do His blessings look like?)
