Reflection & Discussion

1. How would you summarize the *difference(s)* between Wisdom from ABOVE vs. other ‘wisdom’? (Based on what Scriptures?)

2. James describes many different elements of UNGDOLY wisdom (vv. 14-16):
 - a. Which do you find yourself struggling with? How have you/do you deal with the struggle?

3. In vv. 17-18 we see the elements of wisdom from ABOVE:
 - a. Find Scriptures which highlight the importance of these in everyday *productive* living.
 - b. Consider/discuss the question: How should believers pursue/achieve heavenly wisdom all the days of their lives?
