Reflection & Discussion

1. How is the tongue like a *window into our hearts*?
 - a. What Scriptures explain God’s expectation of how we’re to use our speech?
 - b. For believers who struggle with speaking *destructively* (what does that mean?), how should they respond?
 - c. Have an open discussion about the *power* and *potential* of our speech. Consider phrases like “I need to pray before I say”; “It’s important to respond, not react”, etc.
