Reflection & Discussion

1. What Scriptures call on believers to *understand the times* in which they live? (HINTS: Matt. 16:3; Rom. 13:11)
 - a. Why is it important to do this?

2. Today’s world is increasingly hostile toward Israel. From a biblical perspective, how would you explain your position of *supporting* Israel?

3. False doctrine has been—is—infiltrating the church.
 - a. Why is this a ‘useful tactic’ of the devil?
 - b. How are believers to defend themselves against false doctrine?
 - c. Have you noticed any *specific* false doctrines taking hold of modern-day Christians? (If so, what are they?)
